QUALITY LIFE INSURANCE COM-PANY OF VIRGINIA.

REASON WHY EVERY ONE-SHOULD INSURE IN THE EQUALITY LIFE INSURACE COMPANY OF VIRGINIA: 1st. It is more Liberal to the Insurers than

any other company, and will eventually become

purely mutual and belong to the Insurers. 2d. It circulates its money amongst its pagrons, who are the i sources. Consequently they are continually getting the benefit of the rapid accumulations of the Company, the money being invested by the Board of Directors amongst the insurers. Therefore the insurers are build-ing ap an institution peculiarly their own, and conducted for their benefit.

8d. The loans of this Company are as liberal

as other companies, who declare dividends at the end of the second, third and fourth years. but this Company at the end of the first and every year. Thereby theinsurer saves several years' interest on his loans by insuring in this Company, and he never looses his money if he pays un for one whole, year, whereas, in other companies, he has to remain an insurer for several years, or he looses all the money he peutfully request them to call and examine my DAVID B.
